General remarks:
• Americans with Disabilities Act: The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact the Department of Student Life, Services for Students with Disabilities, in Room 126 of the Koldus Building or call 845-1637.

• Academic Integrity: The Aggie Honor Code states the following: “An Aggie does not lie, cheat, or steal or tolerate those who do.” (and this means you!) The Honor Council Rules and Procedures may be found here: http://www.tamu.edu/aggiehonor
